

MEAM 5970/5990 Proposal Form

Instructions

Both MEAM 5970 (Thesis) and MEAM 5990 (Independent Study) require a proposal.

Refer to the [MEAM MSE Course-Specific Policies](#) (also found in the MEAM MSE Student Handbook) for the content requirements of the thesis or independent study proposal. The proposal should be written in a formal, academic style and tone.

Thesis Advisors must be members of the MEAM Graduate Group. Independent Study Supervisors must be MEAM Primary Faculty. If you want to do an Independent Study with a non-MEAM professor, you will need to do the course in the professor's home department.

The proposal and this form signed by the Thesis Advisor or Independent Study Supervisor must be submitted (emailed to the MEAM Graduate Program Coordinator) at least three (3) weeks before the start of the semester in which the student takes MEAM 5970 (the first time) or MEAM 5990.
