

MEAM MASTER'S DEGREE CURRICULUM PLAN WORKSHEET

Use the Course Planning Sheets to fill out this Curriculum Plan Worksheet. No courses, except MEAM 6990, may appear more than once on this page (no double-counting). For descriptions of all MEAM courses and program requirements, please refer to the [Course Catalog](#). For a list of the upcoming semester's course offerings, please refer to [Courses@Penn](#) (search "MEAM" to get MEAM's offerings). Students requesting permission to take courses outside of any of these lists can petition approval from the Master's Program Chair by filling out an [Academic Program Request](#).

STUDENT NAME: _____

PENNID: _____

DATE: _____

CONCENTRATION:	<input type="checkbox"/> Design and Manufacturing	<input type="checkbox"/> Mechatronic and Robotic Systems
	<input type="checkbox"/> Heat Transfer, Fluid Mechanics, and Energy	<input type="checkbox"/> Micro/Nano Systems
	<input type="checkbox"/> Mechanics of Materials	<input type="checkbox"/> Undeclared/Undecided

Engineering Mathematics Requirement

	Course Code	Course Name	Semester & Year
Course 1			
Course 2			

MEAM Concentration Required Course

	Course Code	Course Name	Semester & Year
Course 3			

MEAM Concentration Core Courses

	Course Code	Course Name	Semester & Year
Course 4			
Course 5			

MEAM Electives (may be additional MEAM Concentration Core Courses)

	Course Code	Course Name	Semester & Year
Course 6			
Course 7			

General Electives (may be additional MEAM Courses)

	Course Code	Course Name	Semester & Year
Course 8			
Course 9			
Course 10			

Seminar Requirement

	Course Code	Course Name	Semester & Year
Seminar 1			
Seminar 2			

Notes (Accelerated Master's and Dual Program students should note which courses they are double-counting here):
